

COLLEEN

(Marilyn's daughter tries to get Abby to end a bet that Abby and Marilyn made before things go too far and someone gets hurt. Abby doesn't say a word, which makes Colleen furious.)

This has to stop. I thought the bet was funny, but this has gotten way out of hand. Please, just call it off. My mom won't stop.

She's too stubborn and too proud and she will take whatever you dish out. She's had a lot of practice in that department, believe me. She's not gonna quit, Abby. She's not well. I don't know how much she's mentioned about her heart condition but it's pretty serious. That's why she's in the facility. We wanted her somewhere with doctor's on staff, god forbid something goes wrong. I swear to god, if something happens to her because of you I'm gonna sneak into this goddamn room when you are sleeping and hold a fucking pillow over your face.
