**Please complete the short response sections on the following page.
You may attach additional pages if needed.**

The **Stray Pups Scholarship Program** is intended to extend arts opportunities to all Saint Louis youth. Scholarships are awarded to youth who exemplify the Stray Pups philosophy of positivity, hard work, and love of performing arts. Unfortunately, it is not possible to offer an unlimited amount of spaces. If your student is selected for a scholarship position they will be exempt from the program fee. Any additional optional expenses are not included in the Scholarship Program.
